

# World of Our Own by Tom Springfield (1965)

$G_{(\frac{1}{2})}$   $C_{(\frac{1}{2})}$   $G_{(\frac{1}{2})}$   $C_{(\frac{1}{2})}$   $G_{(\frac{1}{2})}$   $C_{(\frac{1}{2})}$   $D7_{(\frac{1}{2})}$   $Em_{(\frac{1}{4})}$   $D7_{(\frac{1}{4})}$   
Close the  
 $G$   $G$   $C$   $G_{(\frac{1}{2})}$   $D_{(\frac{1}{2})}$   
door, light the light, we're staying home tonight. Far a-  
 $Bm$   $Em$   $C$   $D7_{(\frac{1}{2})}$   $Em_{(\frac{1}{4})}$   $D7_{(\frac{1}{4})}$   
way from the bustle and the bright city lights. Let them  
 $G$   $B7$   $C$   $G_{(\frac{1}{2})}$   $Em_{(\frac{1}{4})}$   $D7_{(\frac{1}{4})}$   
all fade away, just leave us alone. And we'll  
 $Bm$   $C_{(\frac{1}{2})}$   $D7_{(\frac{1}{2})}$   $G_{(\frac{1}{2})}$   $C_{(\frac{1}{2})}$   $G_{(\frac{1}{2})}$   $Em_{(\frac{1}{4})}$   $D7_{(\frac{1}{4})}$   
live in a world of our own. We'll build a

$G$   $C$   $D7$   $G$   
world of our own, that no one else will share. All our  
 $Em$   $A7$   $D$   $D7_{(\frac{1}{2})}$   $Em_{(\frac{1}{4})}$   $D7_{(\frac{1}{4})}$   
sorrows we'll leave far behind us there. And I  
 $G$   $B7$   $C$   $G_{(\frac{1}{2})}$   $Em_{(\frac{1}{4})}$   $D7_{(\frac{1}{4})}$   
know that you'll find, there'll be peace of mind. When we  
 $Bm$   $C_{(\frac{1}{2})}$   $D7_{(\frac{1}{2})}$   $G_{(\frac{1}{2})}$   $C_{(\frac{1}{2})}$   $G_{(\frac{1}{2})}$   $C_{(\frac{1}{2})}$   $G_{(\frac{1}{2})}$   $C_{(\frac{1}{2})}$   $D7_{(\frac{1}{2})}$   $Em_{(\frac{1}{4})}$   $D7_{(\frac{1}{4})}$   
live in a world of our own. Oh my

$G$   $G$   $C$   $G_{(\frac{1}{2})}$   $D_{(\frac{1}{2})}$   
love, oh my love, I've cried for you so much. Lonely  
 $Bm$   $Em$   $C$   $D7_{(\frac{1}{2})}$   $Em_{(\frac{1}{4})}$   $D7_{(\frac{1}{4})}$   
nights without sleeping, while I longed for your touch. Now your  
 $G$   $B7$   $C$   $G_{(\frac{1}{2})}$   $Em_{(\frac{1}{4})}$   $D7_{(\frac{1}{4})}$   
lips can erase the heartache I've known. Come with  
 $Bm$   $C_{(\frac{1}{2})}$   $D7_{(\frac{1}{2})}$   $G_{(\frac{1}{2})}$   $C_{(\frac{1}{2})}$   $D_{(\frac{1}{2})}$   $Em_{(\frac{1}{4})}$   $D7_{(\frac{1}{4})}$   
me to a world of our own. We'll build a

$G$   $C$   $D7$   $G_{(\frac{1}{2})}$   $Em_{(\frac{1}{4})}$   $D7_{(\frac{1}{4})}$   
world of our own, that no one else will share. All our  
 $Em$   $A7$   $D$   $D7_{(\frac{1}{2})}$   $Em_{(\frac{1}{4})}$   $D7_{(\frac{1}{4})}$   
sorrows we'll leave far behind us there. And I  
 $G$   $B7$   $C$   $G_{(\frac{1}{2})}$   $Em_{(\frac{1}{4})}$   $D7_{(\frac{1}{4})}$   
know you will find, there'll be peace of mind. When we  
 $Bm$   $C_{(\frac{1}{2})}$   $D7_{(\frac{1}{2})}$   $Bm$   $A7_{(\frac{1}{2})}$   $Em_{(\frac{1}{4})}$   $D7_{(\frac{1}{4})}$   
live in a world of our own. And I  
 $G$   $B7$   $C$   $G$   
know you will find, there'll be peace of mind. When we  
 $Bm$   $C_{(\frac{1}{2})}$   $D7_{(\frac{1}{2})}$   $G_{(\frac{1}{2})}$   $C_{(\frac{1}{2})}$   $G_{(\frac{1}{2})}$   $C_{(\frac{1}{2})}$   $G_{(\frac{1}{2})}$   $C_{(\frac{1}{2})}$   $G_{(\frac{1}{2})}$   $C_{(\frac{1}{2})}$   $G_{(hold)}$   
live in a world of our own.
