Is, baby, be friends with you.

No, and I ain't lookin' to fight with you
Frighten you or uptighten you
Drag you down or drain you down
Chain you down or bring you down
All I really want to do
Is, baby, be friends with you.

I don't want to meet your kin
Make you spin or do you in
Or select you or dissect you
Or inspect you or reject you
All I really want to do
Is, baby, be friends with you.

I ain't lookin' to block you up
Shock or knock or lock you up
Analyze you, categorize you
Finalize you or advertise you
All I really want to do
Is, baby, be friends with you.

I don't want to fake you out
Take or shake or forsake you out
I ain't lookin' for you to feel like me
See like me or be like me
All I really want to do
Is, baby, be friends with you.

I don't want to straight-face you
Race or chase you, track or trace you
Or disgrace you or displace you
Or define you or confine you
All I really want to do
Is, baby, be friends with you.
