And I Love Her by John Lennon and Paul McCartney (1964)

```
Em          Bm         Em           Bm
   I give her all my love ,     that's all I do
Em          Bm         G                  A7
   And if you saw my love,     you'd love her too
         D6         D6
And I love her

Em          Bm         Em           Bm
She gives me everything,     and tenderly
Em          Bm         G                  A7
The kiss my lover brings,     she brings to me
         D          D
And I love her

         Bm          D   Bm              A
         A love like ours,     could never die
         Bm          A           A      A6
         As long as I     have you near me

Em          Bm             Em           Bm
Bright are the stars that shine,     dark is the sky.
Dark is the sky
Em          Bm         G             A7
I know this love of mine,     will never die
Will never die
         D6          D6  Em   Em  D6   D6   Em   Em   D
And I love her
```
