

# Blowin' in the Wind

by Bob Dylan (1962)

*G A D<sup>(1/2)</sup> Dma7<sup>(1/2)</sup> Bm<sup>(1/2)</sup> Bm/A<sup>(1/2)</sup> G A D D*

*D G D D D G D A7*  
How many roads must a man walk down before you call him a man?  
*D G D D D G A Asus4*  
Yes, and how many seas must a white dove sail before she sleeps in the sand?  
*D G D D*  
Yes, and how many times must the cannon balls fly  
*D G A Asus4*  
Before they're forever banned?  
*G A D<sup>(1/2)</sup> Dma7<sup>(1/2)</sup> Bm<sup>(1/2)</sup> Bm/A<sup>(1/2)</sup>*  
The answer, my friend, is blowin' in the wind,  
*G A D D*  
The answer is blowin' in the wind.

*G A D<sup>(1/2)</sup> Dma7<sup>(1/2)</sup> Bm<sup>(1/2)</sup> Bm/A<sup>(1/2)</sup> G A D D*

How many times must a man look up before he can see the sky?  
Yes, and how many ears must one man have before he can hear people cry?  
Yes, and how many deaths will it take till he knows  
That too many people have died?  
The answer, my friend, is blowin' in the wind,  
The answer is blowin' in the wind.

How many years can a mountain exist before it's washed to the sea?  
Yes, and how many years can some people exist before they're allowed to be free?  
Yes, and how many times can a man turn his head,  
Pretending he just doesn't see?  
The answer, my friend, is blowin' in the wind,  
The answer is blowin' in the wind.

The answer is still peace and justice and equality, and all of us, working for these things together. (spoken by Mary Travers at the end of the song)
