

# Coquette

music by Johnny Green and Carmen Lombardo, lyrics by Gus Kahn (1928)

*F*      *F*<sub>(1/2)</sub>              *Adim7*<sub>(1/2)</sub>   *Gm7*      +2  
 Tell me, why you keep foolin',      little      coquette  
*C7*      *C7*<sub>(1/2)</sub>      *C7+*<sub>(1/2)</sub>      *F*              *G7*<sub>(1/2)</sub>      *C7*<sub>(1/2)</sub>  
 Makin' fun of the ones      who love you?  
*F*      *F*<sub>(1/2)</sub>              *Adim7*<sub>(1/2)</sub>   *Gm7*      +2  
 Breakin' hearts you are ruling,      little coquette  
*C7*      *C7*<sub>(1/2)</sub>      *C7+*<sub>(1/2)</sub>              *F*              *F*  
 True hearts tenderly dreamin' of you.

*F7*              *F7*                              *Bb*                      *Bb*  
 Someday, you'll fall in love like I fell in love with you  
*G7*      *G7*                              *C7*      *C*<sub>(1/2)</sub>      *C7+5*<sub>(1/2)</sub>  
 Maybe some one you love will just be fool      in'  
*F*              *F*<sub>(1/2)</sub>              *Adim7*<sub>(1/2)</sub>   *Gm7*      *Gm9*  
 And when you're all a lone with only re grets  
*C7*              *C7*<sub>(1/2)</sub>      *C7+*<sub>(1/2)</sub>      *F*              *G7*<sub>(1/2)</sub>      *C7*<sub>(1/2)</sub>  
 You'll find, little coquette, I love you

Ooh, tell me, why you keep foolin', little coquette  
 Making' fun of the ones who love you?  
 Breakin' hearts you are ruling, little coquette  
 The true hears tenderly dreamin' of you.

Well, someday you'll fall in love like I fell in love with you  
 Maybe the one you love will just be foolin'  
 And when you're alone with all your regrets  
 You'll find, little coquette, I love you.

I love you, I love you.

*F*<sub>(1/2)</sub>              *E*<sub>(1/2)</sub>   *Gm6*<sub>(1/2)</sub>   *D*<sub>(1/2)</sub>                      *F*<sub>(1/2)</sub>              *Gm*<sub>(1/2)</sub>              *C*<sub>(1/2)</sub>              *F*  
 You love to flirt      and you don't mean to hurt, But you leave those who love you to sigh,  
*F*<sub>(1/2)</sub>              *E*<sub>(1/2)</sub>   *Gm*<sub>(1/2)</sub>      *D*<sub>(1/2)</sub>              *F*<sub>(1/2)</sub>              *Gm*<sub>(1/2)</sub>      *C*<sub>(1/2)</sub>              *F*  
 Each heart's a flow'r that you want for an hour, Then for -get like a gay but -ter -fly.  
*G7*<sub>(1/2)</sub>              *Em*<sub>(1/2)</sub>              *Em*                              *C*<sub>(1/2)</sub>   *Gm*<sub>(1/2)</sub>              *Gm6*<sub>(1/2)</sub>      *C7*<sub>(1/2)</sub>  
 But -ter -flies play in the sum -mer sun, But are they gay      when their day is      done?
