Seems as though a month ago I was Beta Chi, Never got high. Oh, I was a sorry guy. And now a smile, a face, a girl that shares my name, Now I'm through with the game, this boy will never be the same.

Pisces, Virgo rising is a very good sign, Strong and kind, and the little boy is mine. Now I see a family where there once was none, Now we've just begun. Yeah, we're gonna fly to the sun.

Love the girl who holds the world in a paper cup. Drink it up. Love her and she'll bring you luck. And if you find she helps your mind, buddy, take her home. Don't you live alone. Try to earn what lover's own.
