*Gm*                      *Cm*                      *Gm*                      *A5+2*<sup>(1/2)</sup>    *A7*<sup>(1/2)</sup>  
 Please don't just stand there, come and kiss me like before  
*Gm*                      *Cm*                      *Gm*                      *D7*  
 Please don't just stand there, looking down at the floor  
           *G*                      *Em*                      *A5+2*    *A7*  
 If something is wrong, give me just one little sign  
                                   *G*                                      *Em*  
 If there's someone else, please tell me, tell me  
*A7*<sup>(1/2)</sup> *A6*<sup>(1/2)</sup> *A*<sup>(1/2)</sup> *D7*<sup>(1/2)</sup>                      *G*                      *G*  
 what, what, what, what's on your mind  
   *Eb* *Cm7*                      *Bb*                      *Gm7*  
 Once when we'd meet, you'd run to hold me tight  
   *Ab* *Fm7*    *D*                      *D7*  
 Life was so sweet until tonight

Please don't just stand there, get it over if we're through  
 Please don't just stand there, while my heart breaks in two  
 Knowing I care, how can you be so unkind?  
 Please stop hurting me and help me  
 Tell me, what, what, what, what's on your mind  
           If it's a game, I don't want to play it  
           And if it's goodbye. why can't you just say it?

*G*                      *Em*                      *A5+2*    *A7*  
 Why make me cry like you do? How can you be so unkind?  
                                   *G*                                      *Em*  
 Please start loving me, or leave me, tell me  
*A7*<sup>(1/2)</sup> *A6*<sup>(1/2)</sup> *A*<sup>(1/2)</sup> *D7*<sup>(1/2)</sup>                      *G*                      *G*  
 what, what, what, what's on your mind

*Em*                      *A*<sup>(1/2)</sup> *A7*<sup>(1/2)</sup> *D*<sup>(1/2)</sup> *D7*<sup>(1/2)</sup>                      *G*  
 Don't just stand there, tell me what, what, what, what's on your mind  
 Don't just stand there, tell me what, what, what, what's on your mind  
 Don't just stand there, tell me what, what, what, what's on your mind
