

End of the World

lyrics by Sylvia Dee and music by Arthur Kent
(1962)

D *D* *A* *A*
Why does the sun go on shining
Bm *Bm* *F#m* *F#m*
Why does the sea rush to shore
G *Em* *F#m* *B7*
Don't they know it's the end of the world
 Em *Em* *A7* *A7*
'Cause you don't love me anymore

D *D* *A* *A*
Why do the birds go on singing
Bm *Bm* *F#m* *F#m*
Why do the stars shine above
G *Em* *F#m* *B7*
Don't they know it's the end of the world
 Em *A7* *D* *D7*
It ended when I lost your love

G *G* *D* *D*
I wake up in the morning and I wonder
 A7 *A7* *D* *D*
Why everything's the same as it was
 F#m *F#m* *B7* *B7*
I can't understand, no I can't understand
 Em *Em* *A7* *A7*
How life goes on the way it does

D *D* *A* *A*
Why does my heart go on beating
Bm *Bm* *F#m* *F#m*
Why do these eyes of mine cry
G *Em* *F#m* *B7*
Don't they know it's the end of the world
 Em *A7* *D* *D*
It ended when you said goodbye
