

# For All We Know

lyrics by Robb Wilson and Arthur James, music by Fred Karlin (1970)

*C*<sub>(½)</sub> *C/B*<sub>(½)</sub> *Am*<sub>(½)</sub> *Am7/G*<sub>(½)</sub> *Dm7*<sub>(½)</sub> *Fdim*<sub>(½)</sub> *G*<sub>(½)</sub> *G7sus4*<sub>(hold)</sub>

*C*<sub>(½)</sub> *C/B*<sub>(½)</sub> *Am*<sub>(½)</sub> *Am7/G*<sub>(½)</sub> *D9* *D7/F#*

Love, look at the two of us,

*F6* *Dm*<sub>(½)</sub> *Fm*<sub>(½)</sub> *C* *C*<sub>(½)</sub> *Em7*<sub>(½)</sub>

strangers in many ways.

*Am* *C*<sub>(½)</sub> *C/B*<sub>(½)</sub> *D/F#* *D7*

We've got a life - time to share, so much to

*Gmaj7* *Cma7* *Fmaj7* *D7sus4*

say, and as we go from day to

*C*<sub>(½)</sub> *C/B*<sub>(½)</sub> *Am*<sub>(½)</sub> *Am7/G*<sub>(½)</sub> *D9* *D7/F#*

day I'll feel you close to me, but

*F6* *Dm*<sub>(½)</sub> *Fm*<sub>(½)</sub> *C* *C*<sub>(½)</sub> *Em7*<sub>(½)</sub>

time a lone will tell.

*Am* *C*<sub>(½)</sub> *C/B*<sub>(½)</sub> *D/F#* *D7*

Let's take a life - time to say, "I knew you

*Gmaj7* *Cma7* *Fmaj7* *D7sus4*

well," for only time will tell us

*Em7* *Am*<sub>(½)</sub> *Am7*<sub>(½)</sub> *Fmaj7* *G7sus4*<sub>(½)</sub> *G9*<sub>(½)</sub>

so, and love may grow for all we

*C*<sub>(½)</sub> *C/B*<sub>(½)</sub> *Am*<sub>(½)</sub> *Am7/G*<sub>(½)</sub> *Dm7*<sub>(½)</sub> *Fdim*<sub>(½)</sub> *C6*<sub>(hold)</sub>

know.
