Go and tell that long tongue liar,
Go and tell that midnight rider,
Tell the rambler, the gambler, the back biter,
Tell 'em that God's gonna cut 'em down.
Tell 'em that God's gonna cut 'em down.

Am Am
Well my goodness gracious, let me tell you the news.
Am Am
My heads been wet with the midnight dew.
Am Am
I've been down on bended knee,

Talkin to the man from Galilee.

He spoke to me in a voice so sweet,
I thought I heard the shuffle of angels feet.
He called my name and my heart stood still,
When He said "John go do my will" (No chord on "John go do my will)

You can throw your rock, hide your hand,
Workin' in the dark against your fellow man.
But as sure as God made black and white,
What's done in the dark, will be brought to the light.
