   A          A   D          D
Hello Mary Lou,    goodbye heart,
         A          A            E    E7
Sweet Mary Lou I'm so in love with you,
  A          A7  C#7          F#m
I knew, Mary Lou,    we'd never part,
    B9      E7              A(½)    D(½)      A
Hello Mary Lou, goodbye heart
```

```
A              A            D                 D
Past me by one sunny day, flashed those big brown eyes my way, and
A                     A(½)     Adim7(½)  E        E7
ooo,I knew I wanted you for ever        more,
A              A              D                 D(½)    Adim7(½)
I'm not one that tears around, I swear my feet stuck to the ground,
A(½)      F#m7(½)  Bm7(½)  E7(½)  A(½)     D(½)      A
Though I never     did meet you before,
```

```
  A            A                D             D
I saw your lips, I heard your voice, believe me I just had no choice,
      A              A(½)        Adim7(½)  E        E7
Wild horses couldn't make me stay        away,
  A              A              D                 D(½)        Adim7(½)
I thought about a moonlit night, my arms around you good and tight,
   A(½)  F#m7(½)  Bm7(½)  E7(½)  A(½)      D(½)       A
And all I    had to     see for  me to say,
```
