## Home for the Holidays lyrics by Al Stillman and music by

Robert Tallen (1954) (V, III)

```
F
               C_{(\frac{1}{2})} C_{(\frac{1}{2})}
                                                      C
                                                                  C_{(\frac{1}{2})} G7_{(\frac{1}{2})}
                      place like home for the holidays
Oh, there's no
                                                                           Cause no
C_{(\frac{1}{2})} B7_{(\frac{1}{4})} B7b5_{(\frac{1}{4})} A7
                                   D7(\frac{1}{2}) D7b5(\frac{1}{2}) G7
mat ter
               how
                           far away you roam
                                                                    when you
                             F#dim7(½) C
                                                          C_{(\frac{1}{2})} F#dim7(\frac{1}{2})
C_{(\frac{1}{2})} C7_{(\frac{1}{2})} F_{(\frac{1}{2})}
pine for the sunshine of a friendly face
                                                                  for the
G7(\frac{1}{2}) Dm7(\frac{1}{2})
                    G7
                                                      C_{(\frac{1}{2})} F_{(\frac{1}{4})} C_{(\frac{1}{4})}
                                                                                C_{(1/2)} Gm_{(1/4)} C7_{(1/4)}
Holi days, you can't beat home, sweet home
                                                                                       met
                                                               F\#dim7_{(1/2)} C_{(1/2)} C\#dim7_{(1/2)}
                                                     F(1/2)
         man who lives in Tennessee and he was headin'
                                                                              for
                                                                                      Pennsyl
         G7(\frac{1}{2}) F#7(\frac{1}{4}) G7(\frac{1}{4}) G7
                                                                       C7_{(\frac{1}{2})} Gm7_{(\frac{1}{4})} C7_{(\frac{1}{4})}
                                                                C
                        some home made pumpkin pie
         vania and
                                                                           from Penn syl
         F
                                                 F_{(\frac{1}{2})}  F\#dim7_{(\frac{1}{2})}  C_{(\frac{1}{2})}
         vania folks a travelin' down to Dixie's sunny
                                                                        shore, from At
