I Can't Stop Loving You by Don Gibson (1958)

C7 С F F7 Those happy hours that we once knew, D7 G7 C С though long ago, still make me blue. F С **C7** F7 They say that time, heals a broken heart, but time has stood С $C_{(\frac{1}{2})}$ $G7_{(\frac{1}{2})} C_{(\frac{1}{2})} F/C_{(\frac{1}{2})} C_{(\frac{1}{2})} Caug_{(\frac{1}{2})}$ still, since we've been apart.

С F F С I can't stop loving you, so I've made up my mind **G7 G7** С $C_{(\frac{1}{2})}$ Caug_(\frac{1}{2}) of old lonesome time To live in memory, С F С F I can't stop wanting you, it's useless to say $C_{(\frac{1}{2})}$ (F C/E Dm7)_(\frac{1}{2}) C **G7** С **G7** So I'll just live my life, in dreams of yesterday.

I can't stop loving you, there's no use to try. Pretend there's someone new; I can't live a lie. I can't stop wanting you the way that I do. There's only been one love for me; that one love is you.
