                     should have known better with a girl like you,

                             never realized what a kiss could be,

        Can't you see, can't you see?

                                                  G
                    That when I tell you that I love you, oh,

                    You're gonna say you love me too-oo-oo-oo, oho,
                                                             Em
                    And when I ask you to be mine,
                                                           G_{(1/2)} D_{(1/2)} G_{(1/2)} D_{(1/2)}
                    you're gonna say you love me too.
So-o-o, I - - - - - should have realized a lot of things before,
If this is love you've gotta give me more,
Give me more, hey, hey, hey, give me more.
        I - - - - never realized what a kiss could be,
        This could only happen to me,
        Can't you see, can't you see?
                That when I tell you that I love you, oh,
                You're gonna say you love me too-oo-oo-oo, oho,
                And when I ask you to be mine, you're gonna say you love me too.
