

I Won't Last a Day without You

words by Paul

Williams and music by Roger Nichols (1972)

$G(\frac{1}{2})$ $Bm7(\frac{1}{2})$ $C(\frac{1}{2})$ $C/D(\frac{1}{2})$
Day after day I must face a world of strangers where I
 $Em9$ $Am7(\frac{1}{2})$ $Am7/D(\frac{1}{2})$
don't belong; I'm not that strong.

$G(\frac{1}{2})$ $Bm7(\frac{1}{2})$ $C(\frac{1}{2})$ $C/D(\frac{1}{2})$
It's nice to know that there's someone I can turn to who will
 $Em9$ $Am7(\frac{1}{2})$ $Am7/D(\frac{1}{2})$
always care; you're always there. When there's

$G(\frac{1}{2})$ $F/G(\frac{1}{2})$ $Cadd9(\frac{1}{2})$ $Am7/D(\frac{1}{2})$
no getting over that rainbow, when my
 $G(\frac{1}{2})$ $F/G(\frac{1}{2})$ $Cadd9(\frac{1}{2})$ $Am7/D(\frac{1}{2})$
smallest of dreams won't come true, I can
 $G(\frac{1}{2})$ $F/G(\frac{1}{2})$ $Cma7(\frac{1}{2})$ $G/B(\frac{1}{2})$
take all the madness the world has to give, but I
 $Am7(\frac{1}{2})$ $Am7/D(\frac{1}{2})$ $G(\frac{1}{2})$ $Gadd9/B(\frac{1}{2})$ $C(\frac{1}{2})$ $C/D(\frac{1}{4})$ $D(\frac{1}{4})$
won't last a day without you.

So many times when the city seems to be without a
friendly face, a lonely place,
it's nice to know that you'll be there if I need you, and you'll
always smile; it's all worth while. When there's

$Em7(\frac{1}{2})$ $A7(\frac{1}{2})$ $Dma7$
Touch me and I end up singing,
 $Em7(\frac{1}{2})$ $A7(\frac{1}{2})$ $Bsus4(\frac{1}{2})$ $B(\frac{1}{2})$
troubles seem to up and disappear. You
 $C\#m7(\frac{1}{2})$ $F\#7(\frac{1}{2})$ B
touch me with the love you're bringing.
 $G\#m7(\frac{1}{2})$ $Ama7(\frac{1}{2})$ $Bsus4(\frac{1}{2})$ $B(\frac{1}{2})$ $Am7(\frac{1}{4})$ $D7(\frac{1}{4})$
I can't really lose when you're near. When you're near my

love, if all my friends have forgotten half their promises, they're not
unkind, just hard to find.
One look at you and I know that I could learn to live with
out the rest, I've found the best.

$G/B(\frac{1}{2})$ $Gadd9/B(\frac{1}{2})$ $Cadd9(\frac{1}{2})$ $Cadd9/D(\frac{1}{4})$ $D(\frac{1}{4})$ $Gadd9(\text{hold})$
you.
