

Jesus Was a Capricorn

Jesus was a Capricorn, he ate organic foods
G *G* *A7* *D7*
He believed in love and peace and never wore no shoes
G *G7* *C* *G*
Long hair beard and sandals and a funky bunch of friends
C *G* *D7* *G*
Reckon they'll just nail him up, if he come down again

C *C* *G* *G*
'Cause everybody's gotta have somebody to look down on
D7 *D7* *C* *G*
Who they can feel better than anytime they please
C *C* *G* *G*
Someone doin' somethin' dirty decent folks can frown on
D7 *D7* *C* *G*
If you can't find nobody else then help yourself to me

G *G* *C* *G*
Egghead's cussin' Redneck's cussin' hippies for their hair
G *G* *A7* *D7*
Others laugh at straights who laugh at freaks who laugh at squares
G *G7* *C* *G*
Some folks hate the Whites, who hate the Blacks who hate the Klan
C *G* *D7* *G*
Most of us hate anything that we don't understand
