Light one candle for the strength that we need to never became our own foe. And light one candle for those who are suffering, pain we learned so long ago. Light one candle for all we believe in, let anger not tear us a-part. And light one candle to bind us together with peace as the song in our hearts.

And what is the memory that's valued so highly that we keep it alive in the flame? What's the commitment for those who have died, we cry out they have not died in vain? We have come this far, always believing that justice will somehow prevail. This is the burden! This is the promise! and this is why we will not fail!
