

# Loves Me Like a Rock

by Paul Simon (1975)

G G G G

When I was a little

$G(\frac{3}{4})$   $C(\frac{1}{4})$   $G$   
boy, (*when I was just a boy*) and the Devil would call my

$G(\frac{3}{4})$   $C(\frac{1}{4})$   $G$   
name (*when I was just a boy*) I'd say, "Now

$C7$   $C7$   
who do? Who do you think you're

$G(\frac{3}{4})$   $C(\frac{1}{4})$   $G$   
fooling?" (*when I was just a boy*) I'm a consecrated

$G(\frac{3}{4})$   $C(\frac{1}{4})$   $G(\frac{1}{2})$   $G7(\frac{1}{2})$   $C$   $C$   
boy (*when I was just a boy*) I'm a singer in a Sunday choir. Oh my mama

$G$   $D$   $G$   $Em$   
loves me, she loves me. She get down on her knees and hug me, like she

$C$   $G$   $C$   $F(\frac{1}{2})$   $C(\frac{1}{2})$   
loves me like a rock. She rocks me like the rock of ages and she

$G$   $G$   $G$   $G$   
loves me, she love me, love me, love me, loves me. When I was grown to be a

man, and the Devil would call my name I'd say, "Now  
who do? Who do you think you're fooling?" I'm a consummated  
man. I can snatch a little purity. Oh my mama

loves me, she loves me. She get down on her knees and hug me, like she  
loves me like a rock. She rocks me like the rock of ages and she  
loves me, she love me, love me, love me, loves me. If I was presi

dent and the Congress call my name I'd say  
"Who do?... Who do you think you're fooling?" I've got the Presidential  
seal. I'm up on the Presidential Podium. Oh my mama

loves me, she loves me. She get down on her knees and hug me, like she  
loves me like a rock. She rocks me like the rock of ages and she

$G$   $G$   $G$   $G$   
loves me, she love me, love me, love me, loves me. (*She loves me like a*

$G$   $G$   $G(\text{hold})$   
*rock*). She love me, love me, love me, loves me.
