 Shadows painting our fa - ces, tra - ces romance in our heads.

 Heaven holding a half moon. Shining just for us.

 Let's slip off to a sand dune real soon. Kick up a little dust.

 Come out the cactus is our friend. He'll point out the way.

 Come on 'till the evening ends, 'till the evening ends.

You don't have to answer, there's no need to speak
 I'll be your belly dancer, prance and you can be my sheik

I know your Daddy's a sultan, a nomad known to all
 With fifty girls to attend him, they all send him. Jump at his beck and call

But you won't need no harem, honey, when I'm by your side
 And you won't need no camel, no no, when I take you for a ride

Come on, Cactus is our friend, He'll point out the way
 Come on, till the evenin' ends, till the evenin' ends

Midnight at the oasis, send your camel to bed
 Got shadows paintin' our faces ,and traces of romance in our heads
