

# More We Get Together traditional

*C*                    *C*            *G7*            *C*  
The more we get together, together, together,  
*C*                    *C*            *G7*            *C*  
The more we get together, the happier we'll be.  
*G7*                    *C*                                    *G7*            *C*  
For your friends are my friends, and my friends are your friends.  
*C*                    *C*            *G7*            *C*  
The more we get together, the happier we'll be!
