Did you think our time   together   was all gone

Lady, youve been dreaming, I'm as close as I   can be

I swear to you our time has just begun

  G   A   D   D7
Close your eyes and rest your weary mind

I promise I will stay right here beside you
   G   A   D   D7
Today our lives were joined, became entwined
  Bm   Bm/A   Em A
I wish you could know how much I love you

Lady, are you happy, do you feel the way I do
Are there meanings that youve never seen before
Lady, my sweet lady, I just cant believe its true
And its like Ive never ever loved before

Close your eyes and rest your weary mind
I promise I will stay right here beside you
Today our lives were joined, became entwined
I wish you could know how much I love you

Lady, are you crying, do the tears belong to me
Did you think our time together was all gone
Lady, my sweet lady, Im as close as I can be
I swear to you our time has just begun
