Dm G7 C C

One little angel who was riding a star
 Cried as she looked down at the tree
 Oh please Mr. Father tree wherever you are
 May I give him the star you gave to me

Then in the heavens came a voice from afar
 A voice that was heard throughout the world
 Go down little angel girl and give him your star
 Tonight he'll light the world 'cause

One little Christmas tree can light up the world
 So those who are lost may find their way
 One little Christmas tree can light up the world
 So all men may see on Christmas day

One little Christmas tree can light up the world
 So those who are lost may find their way
 One little Christmas tree can light up the world
 So all men may see on Christmas day
