I'll light the fire, while you place the flowers
                 A/C#
In the vase that you bought today.
           Ama7 F#m
Staring at the fire for hours and hours, while I

                   Ε
listen to you play your love songs
