Something *by George Harrison (1969)*

F(½) Eb(¼) G7/D(¼)

C   Cmaj7/G
Something in the way she moves
C7   F(¾)   C/E(¼)
   Attracts me like no other lover
D7   G(¼) Am7(¼) G7/B(½)
Something in the way she woos me
Am(½)   E+(½)
I don't want to leave her now
        Am7(½)   D7(½)
You know I believe and how

F(½) Eb(¼) G7/D(¼)

Somewhere in her smile she knows
That I don't need no other lover
Something in her style that shows me
I don't want to leave her now
You know I believe and how

F(½) Eb(¼) G7/D(¼)   A

        A(½)   C#m/G# (½)   F#m(½)   F#m/E(½)
         You're asking me will my love grow,
                D(½)   G(½)   A
         I don't know, I don't know.
        A(½)   C#m/G#(½)   F#m(½)   F#m/E(½)
          Stick around, and it may show,
                D(½)   G(½)   A
         I don't know, I don't know.

Something in the way she knows
And all I have to do is think of her
Something in the things she shows me
I don't want to leave her now
You know I believe and how
