

St. Judy's Comet by Paul Simon (1973)

E9 Oo, little sleepy girl, do you know what time it is?
E9 *E9*

Well the hour of your bedtime's long been past
Am6(1/2) *E/G#(1/2)* *F#m6(1/4)* *B7(1/4)* *E(1/2)*
 And though I know you're fighting it, I can tell when you rub your eyes you're fadin'

A *E9* *E9*
 fast, oh fading fast Won't you

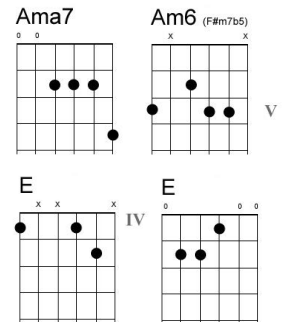

E9 run come see St. Judy's Comet roll across the skies
E9 *E9*

And leave a spray of diamonds in its wake?

Am6(1/2) *E/G#(1/2)* *F#m6(1/4)* *B7(1/4)* *E(1/4)*
 I long to see St. Judy's Comet sparkle in your eyes when you a

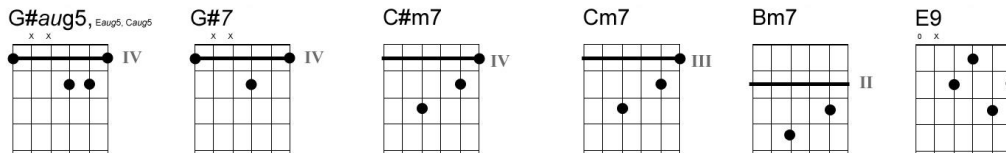

A *E9*
 wake, Oh, when you wake, wake

Amaj7 *Am6(1/2)* *E/G#(1/2)* *E9* *E9*
 Little girl Won't you lay your body down

Amaj7 *Am6(1/2)* *E/G#(1/2)* *E9*
 Little girl Won't you close your weary eyes

G#aug5(1/2) *G#7(1/2)* *C#m7(1/2)* *Cm7(1/4)* *Bm7(1/4)* *Bbm7(1/4)* *A* *E9* *E9*
 Ain't nothing flashing but the fireflies

Well I sang it once and I sang it twice, I'm going to sing it three times more
 I'm going to stay 'til your resistance is overcome
 'Cause if I can't sing my girl to sleep, well it makes your loving daddy look so
 dumb, look so dumb

Oo, little sleepy girl, do you know what time it is?
 Well the hour of your bedtime's long been past
 And though I know you're fighting it, I can tell when you rub your eyes tha you're fadin'
 fast, oh fading fast
