burnin' out and turnin' out the same

So put me on a highway and show me a sign
G A D D G G D D A G
And take it to the limit one more time

You can spend all your time making money
You can spend all your love making time
If it all fell to pieces tomorrow would
you still be mine And when you're looking for your

Freedom nobody seems to care
And you can't find the door, can't find it anywhere
When there's nothin' to believe in. Still you're commin' back, you're
runnin' back, you're commin' back for more
So put me on a highway and show me a sign
And take it to the limit one more time

G A G A
Take it to the limit, take it to the limit
G A D D
Take it to the limit one more time

G A G A
You can take it to the limit, yes take it to the limit

And take it to the limit one more time
