A Am B7  $E_{(\frac{1}{2})}$   $Fdim_{(\frac{1}{2})}$   $F\#m_{(\frac{1}{2})}$   $B7_{(\frac{1}{2})}$   
Tomorrow night will all the thrill be gone

Tomorrow night

E7 A  
will it be just another memory

A Am  
Or just another song

B7 E  $A_{(\frac{1}{2})}$   $E_{(\frac{1}{2})}$   
that's in my heart to linger on

B E  
Your lips are so tender,  
B E  
your heart is beating fast  
G#m G#m  
And you willingly surrender  
C#m $_{(\frac{1}{2})}$  B $_{(\frac{1}{4})}$   $A_{(\frac{1}{4})}$  B7  
to me, but darling will it last

N.C. E  
Tomorrow night

E7 A  
will you be with me when the moon is bright

A Am  
Tomorrow night

B7  $E_{(\frac{1}{2})}$   $A_{(\frac{1}{2})}$  E  
will you say those lovely things you said tonight
