We are not daily beggars
That beg from door to door
But we are neighbors' children
Whom you have seen before.

We have got a little purse
Of stretching leather skin,
We want a little of your money
To line it well within.

Bring us out a table,
And spread it with a cloth;
Bring us out a moldy cheese,
And some of your Christmas loaf.

God bless the master of this house,
Likewise the mistress too,
And all the little children
That 'round the table go.
