Men who toil shall greet us the whole wide world a round.

Because all men are brothers wherever men may be  
One union shall unite us forever proud and free  
No tyrant shall defeat us, no nation strike us down  
All men who toil shall greet us the whole wide world around

My brothers are all others forever hand in hand  
Where chimes the bell of freedom there is my native land  
My brother's fears are my fears yellow white or brown  
My brother's tears are my tears the whole wide world around

Let every voice be thunder, let every heart beat strong  
Until all tyrants perish our work shall not be done  
Let not our memories fail us, the lost year shall be found  
Let slavery's chains be broken the whole wide world around
