

# Yellow Submarine

by John Lennon and Paul McCartney (1966)

$G^{(3/4)}$

In the

$D^{(3/4)}$   $C^{(1/4)}$   $G^{(3/4)}$   $Em^{(1/4)}$

town where I was born, lived a

$Am^{(3/4)}$   $Cma7^{(1/4)}$   $D^{(3/4)}$   $G^{(1/4)}$

man who sailed to sea. And he

$D^{(3/4)}$   $C^{(1/4)}$   $G^{(3/4)}$   $Em^{(1/4)}$

told us of his life, in the

$Am^{(3/4)}$   $Cma7^{(1/4)}$   $D^{(3/4)}$

land of submarines.

So we sailed unto the sun,

Till we found the sea of green.

And we lived beneath the waves,

In our yellow submarine.

$G$

$D$

We all live in a yellow submarine,

$D$

$G$

Yellow submarine, yellow submarine.

$G$

$D$

We all live in a yellow submarine,

$D$

$G$

Yellow submarine, yellow submarine.

And our friends are all aboard,

Many more of them live next door.

And the band begins to play.

As we live a life of ease,

Everyone of us has all we need.

Sky of blue and sea of green,

In our yellow submarine.
